

Corals (Class Anthozoans)

Parrotfish (Scaridae)

Crown-of-thorns starfish
(*Acanthaster planci*)

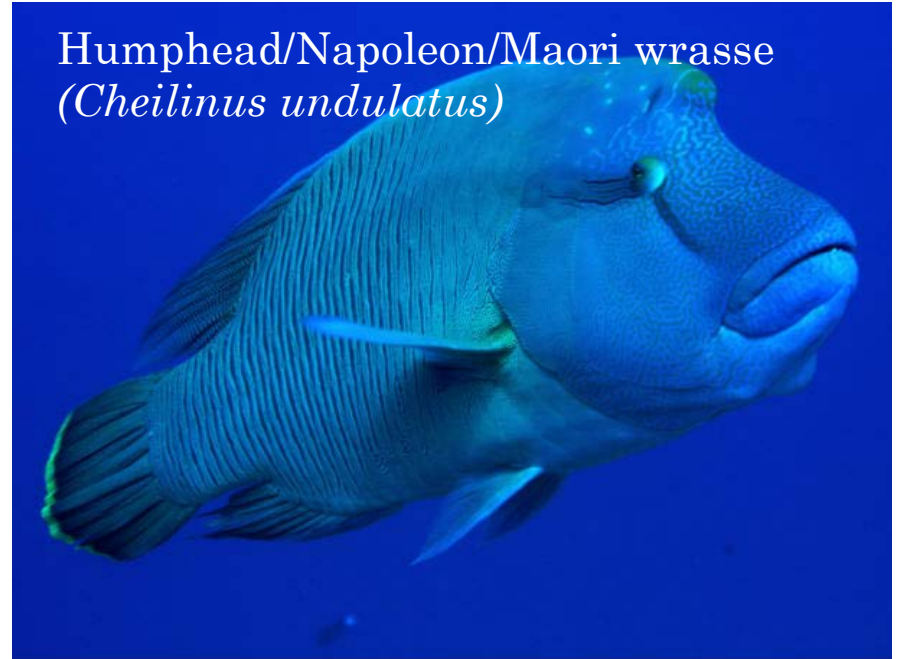

Sea squirts (Class Ascidiacea)

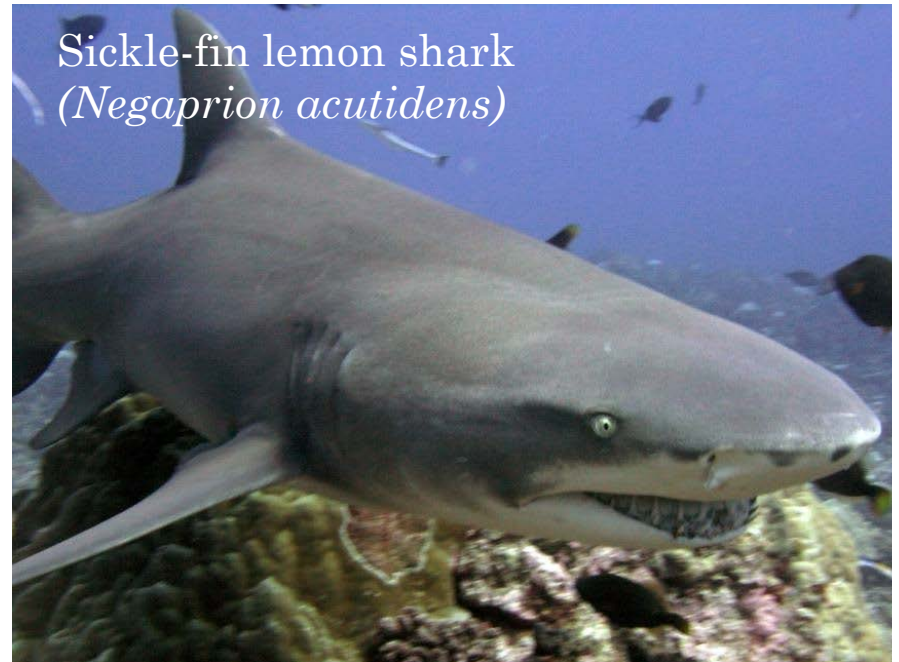

Triton snails (Genus *Charonia*)

Humphead/Napoleon/Maori wrasse
(*Cheilinus undulatus*)

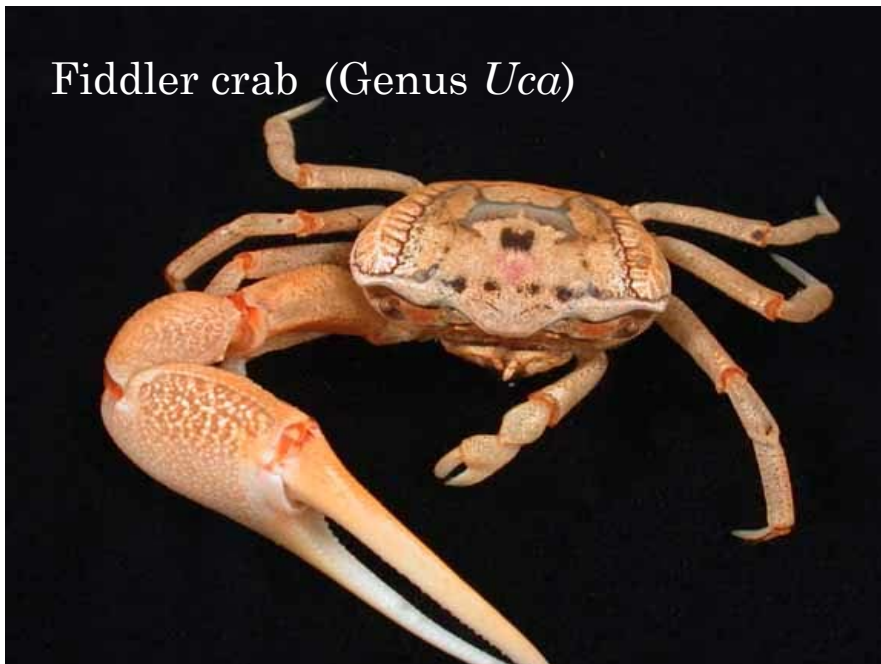

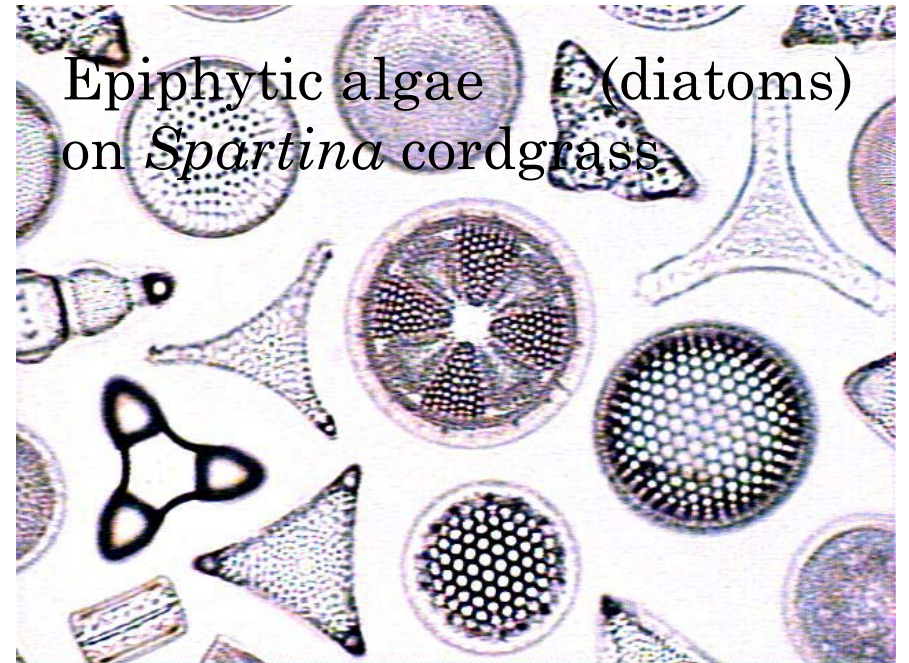

Sickle-fin lemon shark
(*Negaprion acutidens*)

Periwinkle snail (Genus *Littorina*)

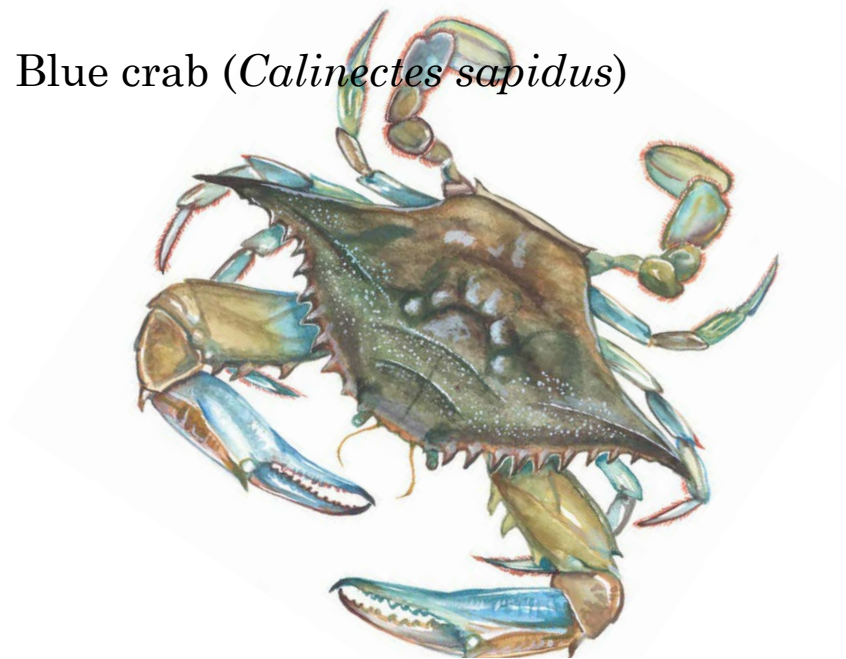

Periwinkle snail (Genus *Littorina*)

Grass shrimp (*Palaemonetes* spp.)

Blue crab (*Calinectes sapidus*)

Sheepshead minnow (*Caprinodon variegatus*)

Raccoon (*Procyon lotor*)

© Tim Knight

Diamondback terrapin turtle
(*Malaclemys terrapin*)

Ring-billed
gull
(*Larus
delawarensis*)

Alligator (*Alligator mississippiensis*)

Sea otter (*Enhydra lutris*)

Purple Sea Urchin
(*Strongylocentrotus purpuratus*)

Ring-billed
gull
(*Larus
delawarensis*)

Macroalgae and crustose algae
(e.g. *Fucus* and *Ulva*)

Rhodophyte algae
(*Endocladia muricata*)

Ochre starfish (*Pisaster ochraeus*)

Common mussel
(*Mytilus californicus*)

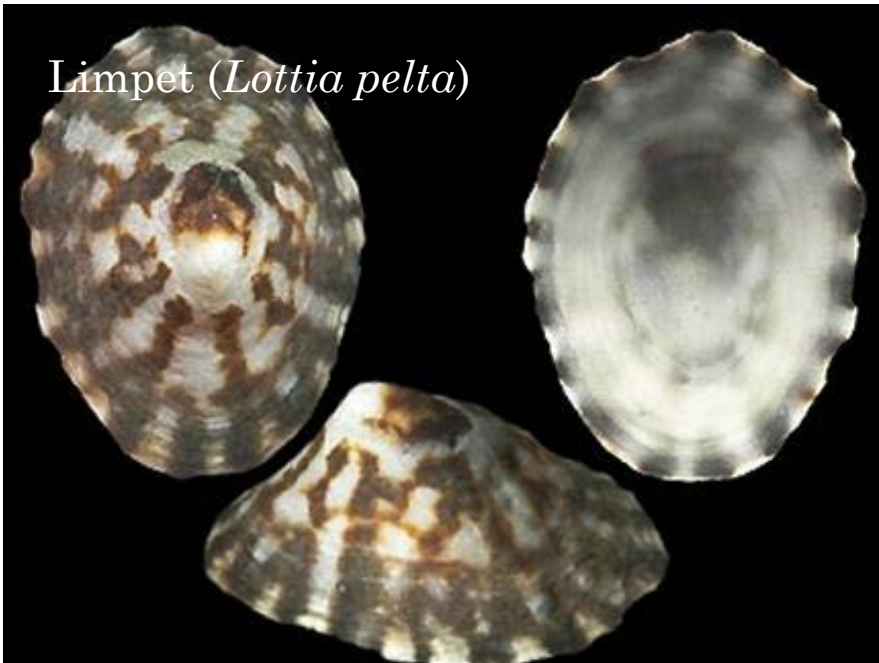

Lined shore crab
(*Pachygrapsus crassipes*)

Leather star (*Dermasterias imbricata*)

Anemone
(*Anthopleura xanthogrammica*)

Limpet (*Lottia pelta*)

Barnacles
(*Balanus glandula*
& *Pollicipes polymerus*)

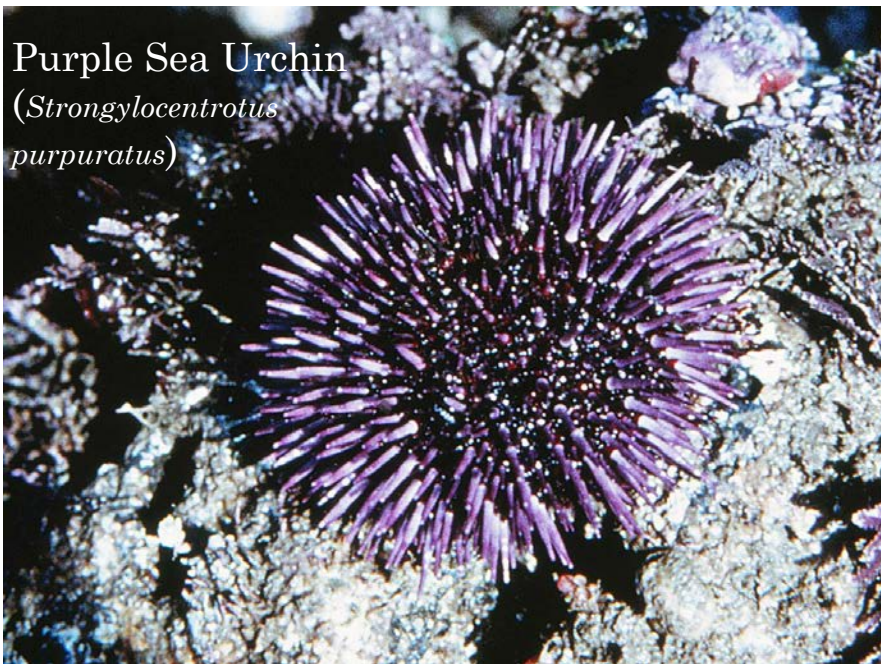

Giant Kelp (*Macrocystis pyrifera*)

Red Wiry Algae (Red Turf Algae, *Gelidium* sp.)

Purple Sea Urchin
(*Strongylocentrotus purpuratus*)

Jewel top snail (*Calliostoma annulatum*)

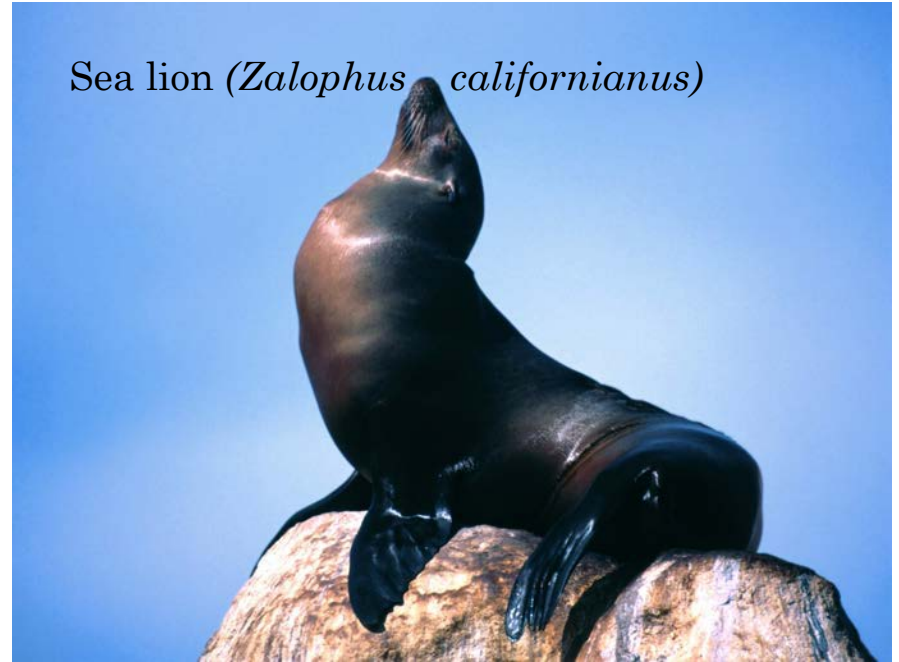

California sheephead
(*Semicossyphus pulcher*)

Sea lion (*Zalophus californianus*)

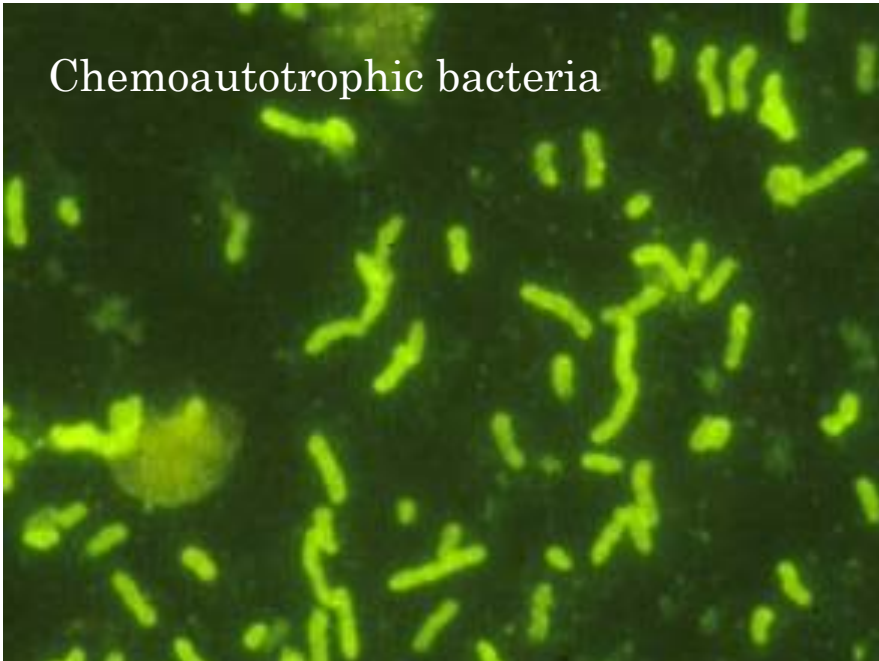

Sea otter (*Enhydra lutris*)

Orca (*Orcinus orca*)

Chemoautotrophic bacteria

Limpets
(*Lepetodrilus* and *Eulepetopsis*)

Giant tube worms
(*Riftia pachyptila*)
(NOT shipworms!)

Vestibulid bivalve clams
(*Calyptogena magnifica*)

Vent shrimp (*Rimicaris exoculata*)

Hydrothermal vent crabs
(*Bythograea thermydron*)

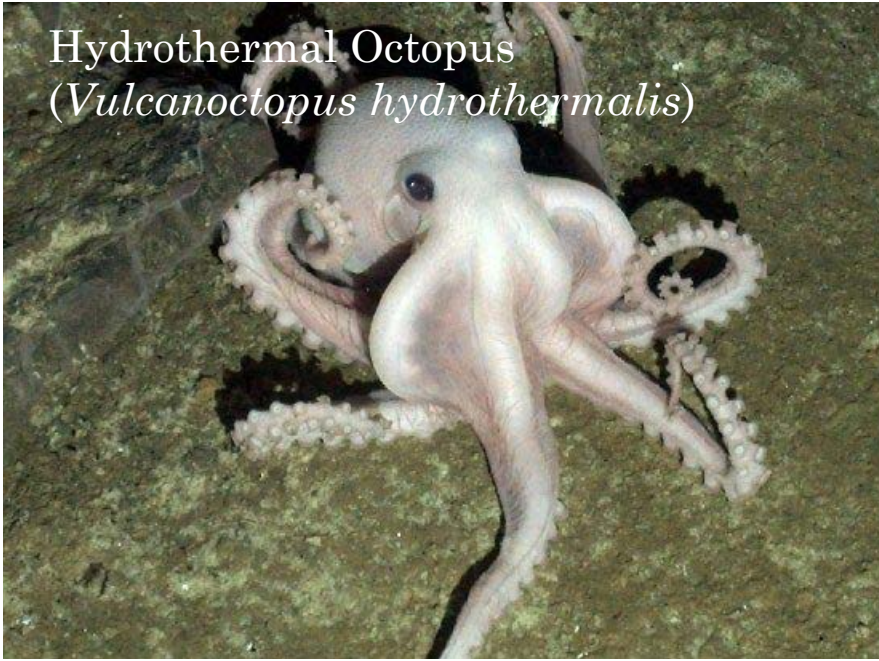

Yeti crabs (*Kiwa hirsuta*)

Zoarcid fish (*Ophthalamolycus macrops*)

Hydrothermal Octopus
(*Vulcanoctopus hydrothermalis*)

Deep-sea Pompeii worm
(*Alvinella pompejana*)
